Dear Mr. Marshall:

This is in regard to your Executive Order 12333 request submitted to the Truman Library, MLT-84-4.

We have reviewed the ten documents you requested and determined that five documents may be declassified and released to you in their entirety. These are NIE-18 (10 January 1951), NIE-33 (7 November 1951), NIE-48 (8 January 1952), NIE-60 (30 April 1952), and SE-15 (4 October 1951); copies are enclosed. Two other documents, SE-10 (15 September 1951) and SE-14 (23 October 1951), can be released to you in sanitized form; copies of these are also enclosed. The three remaining documents, NIE-31 (4 September 1951), NIE-37 (12 February 1951), and SE-18 (8 November 1951) cannot be declassified or released in segregable form. These three must be withheld in their entirety. Sections 1.3(a)(2), (3), (4), (5), and/or (6) provide the basis for the above determinations. We also include an extract from the Order.

You may appeal these determinations by addressing your appeal to the CIA Information Review Committee, in my care. Should you choose to do this, please explain the basis of your appeal. In accordance with Information Security Oversight Office Directive 1, appeals must be filed within 60 days.

Sincerely,

Lee S. Strickland
